PM-1474 Design

Dear Charles:

I have not yet had a response to my letter of December 3, 1992 reporting the PTO action of November 24, 1992 in the captioned design application. Because the time for filing a response (December 23) is fast approaching and because I expect to be out of the office commencing December 18th and returning December 30th, I have prepared a response changing the title of the application to -- ELECTRICAL CIGARETTE -- and electing the multiple embodiments which the examiner identified as Group I.

Please let me know by telephone or fax if the amendment meets with your approval. Also please let me know if divisional applications should be filed for the embodiments of Groups II and III. Group II is represented by figures 11-15 and 16-20. While Group III is represented by figures 21-25 and 26-30.

Sincerely,

Charles B. Smith
